

Little Bear River Distribution System
Annual Meeting
January 28, 2020

Conducted by Jared Clawson

Read and Approved 2018 Minutes

Discussed stream right use on the system with regards to the Commissioner's report and the following statement "*water user's that have stream rights need to use the full amount of their stream right through the entire period of use allowed.*"

Discussed well permits and the water that is changed from agriculture into residential and the bi-laws that canal companies can implement to prevent that change of use.

Discussed the South Fork of the Little Bear for the periods of 1967-1974 and 2018-2019 and the major loss of yearly stream flow over the last five decades.

Discussed the need for a measuring device below the confluence of the South Fork and the Davenport.

The Commissioner's Report was heard and accepted

A motion to reinstate Clint Hansen as the Water Commissioner was heard and accepted

Heard and approved the financial report

Read the delinquent accounts, no major delinquencies were reported

A motion was approved to add \$500 to the supplies and equipment budget

Approved the assessment amount to stay the same as last year

Kirt Lindley mentioned that South Cache Water User's have fixed their measuring device as reported broken in the Commissioner's report.

Discussed the cost of the Davenport measuring station and the cost to complete the South Fork measuring station

Adjourned Meeting
